

SOCIAL ANXIETY DISORDER TREATMENT STUDY

Participants Needed!

We're seeking people with *Social Anxiety Disorder*, who are between 18 and 65 years of age, to participate in a study at the Department of Psychology at Ryerson University.

DO YOU EXPERIENCE...

- Extreme fear or anxiety in social situations?
- Do you fear being judged by others?
- Do you worry that you'll say or do something embarrassing in front of others to humiliate yourself?
- Do you avoid social situations?

The purpose of this research is to compare two psychological treatments for *Social Anxiety Disorder*.
